Aim

To ensure that each child's enrolment is completed as per our legal requirements. Additionally, we aim to ensure that each child and family receives an enrolment and orientation process that meets their needs, allowing the family and child to feel safe and secure in the level of care that we provide.

Implementation

Our service operates Monday to Friday from 8 am to 5:15 pm and accepts enrolments of children aged between 0-6 years.

Enrolments will be accepted providing:

- The maximum daily attendance does not exceed the approved number of places of the service.
- Child-educator ratios are maintained across the service (in each room).
- A vacancy is available

Where limited vacancies are available, we may prioritise enrolling a child who is at risk of serious abuse or neglect, or who is a child of a sole parent who satisfies, or parents who both satisfy, the activity test through paid employment.

Within these categories we may also prioritise children in:

- Aboriginal and Torres Strait Islander families
- families with a disabled person
- families on low incomes
- families from a non-English speaking background
- socially isolated families
- single parent families.

Enrolment:

When a family has indicated their interest in enrolling their child in our service, the following will occur:

- A tour of our service. During this tour, the educator conducting the tour will give the family information about the service including, but not limited to, programming methods, meals, incursions, excursions, inclusion, fees, policies, procedures, regulations for our state and the licensing and assessment process, signing in and out procedure, the National Quality Framework, room routines, educator qualifications, introduction of educator in the room the child will be starting in and educator and parent communication. Families are also invited to ask any questions they may have.
- Families are given a our enrolment package and are invited to ask questions.
- Discussions are held between Assistant Director and families regarding availability of days, a start date and tailoring an orientation process to suit the needs of the family and child.
- An enrolment interview time will be set where families will returned their completed child's enrolment form. Any matters that are sensitive of nature, such as discussing a child's medical needs, Court Orders, parenting plans or parenting orders, will be discussed privately with the Nominated Supervisor during this enrolment interview. Should a child use English as a second language, or speak another language at home, we request that families provide us with some key words in the languages the child speaks at this time so that educators can learn the words.
- Families enrolling in the long day care hours can claim Child Care Subsidy online by signing into their Centrelink online account through my Gov and completing a Child Care Subsidy claim. If eligible, the Subsidy will be paid directly to the service on families' behalf and will reduce the fees owed. This can only occur after our service enters families' enrolment information online, and families confirm their enrolment information through their myGov account. Until Child Care Subsidy details are available, families will need to pay full fees.
- As per our Orientation for Children Policy, families will be invited to bring their child into the service at a time that suits them so the child and family can familiarise themselves with the environment.

- Before the child begins their first day with us, the service must have all required documentation 48 hours before the child's first day. The child will not be accepted into the service without this being completed.

On the child's first day:

- The child and their family are welcomed into their room for the first day.
- The Nominated Supervisor will ensure all details are finalised and complete and sign the Enrolment Checklist.

Other information about our service's enrolment includes:

- We will try and accommodate families so that children from the same family can attend our service.
- There are strict immunisation requirements for children who are enrolled at our service. Please see our Immunisation Policy for further information.
- To ensure all children are treated fairly and receive the same care and attention, any of our educators' children, grandchildren, nieces or nephews who attend the service will not be enrolled in the same room their parent, grandparent or relative works in when possible taking into consideration staffing and grouping of children.
- In accordance with the National Law and Regulations, our educators will support each child to manage their own behaviour, respond appropriately to the behaviour of other children and communicate effectively to resolve conflicts. We will also work with each child's family to support any children with diagnosed behaviour and social difficulties. However, a child's enrolment at our service may be terminated if the Nominated Supervisor decides the child's behaviour threatens the safety, health or well-being of any other child at the service.

Information and Authorisations to be kept in the Enrolment Record

Our Record Keeping and Retention Policy outlines the information and authorisations that we will include in all child enrolment records.
