

Plan No.	No. 2	NQF / Reg. Ref No.	QA1	Plan Date	September 2022
1) Name your improvement	Documentation				
2) Explain why the improvement is needed	Educators feel challenged by the workload completing individual documentation for all children as well as programming and planning for the classroom and outdoor learning environments. Educators feel some documentation is unnecessary and not significant to children				
3) List the outcomes from the improvement:	- Documentation is meaningful and significant to children's individual learning journey - Workload for educators is reduced - Increased involvement/input from families - Clear links between documentation and children's goals - Clear planning cycle - Documentation will continue to support our philosophy, EYLF & NQS - Quality and quantity of documentation is consistent across the service - Documentation is differentiated to suit different age groups				
4) List any consequences of NOT undertaking this improvement?	- Educators feel overwhelmed and stressed keeping up with workload - Documentation is ticking boxes and not significant to children's individual learning journey - No clear links between documentation - Quality and quantity of documentation is inconsistent - Type of documentation is not age appropriate				M
5) Strategies – List the steps, activities and tasks you plan to implement to achieve your improvement					
Short Term			Long Term		
Discussions with educators Research alternatives to current documentation Survey to families Differentiate documentation for age groups Identify possible changes Trial changes and review			Identify best quality outcomes and implement changes Update Orientation document Update documentation overviews in staff manual		
From your strategies above list the actions you will take to implement your improvement plan					
Action Steps (Implementation Plan) – add rows as required				Responsibility	
Brainstorm discussion – Which documentation types are more significant, which are not necessary, any suggested changes				All Educators	
Educators share reflections on current documentation and suggested changes – research alternatives				All educators	
Identify documentation suitability to each age group/room				Room leaders/Educators	
Survey families – how do they engage with documentation, what are their expectations				Educational Leader	
Short list suggestions of changes				Director/Ass. Director/Room leaders	

Establish guidelines and expectations for each age group	
Trial changes for 1 term – Term 4 2022	All educators
Review and reflect on changes	All educators
Update Orientation document	Director/Assistant Director
Update documentation overviews in staff manual	Educational Leader
Mentor educators on documentation	Ed.Leader/NS/Room Leaders

Reflections, Evaluation & Feedback			
Plan No.		NQF/Reg. Ref No.	
6/9/2022	MS Teams reflection questions - Does our documentation focus more on what children are doing than it does on what children are learning? How will changes to the way we document change our focus from doing to learning? How can we show the connections, the planning cycle and the learning journey of children?		
6/9/2022	Staff meeting – discussions with educators – Which documentation is most significant? Which documentation is not necessary? Brainstorm new ideas for documentation (Staff meeting project book)		
20/9/2022	Discussion in Room leaders meeting – see minutes Staff - Director's files\Staff Meeting Minutes\2022\Room Leaders meeting\2022\2022 09 20 Minutes KH.		
30/9/2022	Teams reflection question – Wendy Lee’s video and learning story examples – copy of responses saved to QIP - " C:\Users\Staff\OneDrive - Gloucester Preschool\3 Staff - Director's files\National Quality Standards & QIP\QIP\2020 -2022\Documentation QIP goal\Teams reflection post - learning stories 11 10 2022.docx "		
3/10/2022	EYLC have updated documentation checklist for term 4 to reflect changes to learning story format as per discussion post from the staff meeting – Yapii room trialing progressive learning story over 3 x 3-week blocks. Banggu room trialing supporting the children’s goals (in collaboration with the families) in a learning style format where the goal is the base of the LS, followed up with learning experiences and an analysis of learning written. Preschool rooms will continue to build skills to produce meaningful project books to capture children’s learning stories unique to them.		
11/10/2022	Survey to parents – Documentation – copy saved to QIP folder - " C:\Users\Staff\OneDrive - Gloucester Preschool\3 Staff - Director's files\National Quality Standards & QIP\QIP\2020 -2022\Documentation QIP goal\Documentation survey to families.docx "		
18/10/2022	Team reflective question - how do we ensure that what we document is meaningful? How do you decide what to document, what influences your decisions about what you document for a child? – copy of responses saved to QIP folder -		

25/10/2022	Parent survey results reviewed – Posted to teams for staff to review – copy saved to QIP folder - "C:\Users\Staff\OneDrive - Gloucester Preschool\3 Staff - Director's files\National Quality Standards & QIP\QIP\2020 -2022\Documentation QIP goal\Parent survey responses.csv"
6/12/2022	Team reflective question – How does our Philosophy support the development of our educational program? MS Teams.
21/12/2022 and 09/01/2023	End of Year Professional Development for preschool and the early years. Minutes saved on the cloud under Staff meeting minutes. Educators critically reflected on their documentation practices (f/up from 3/10/22).
Term 1 and Term 2 2023	Elizabeth's progressive mentoring meetings with Rashelle, Kasey, and Kayla. Typed notes and recordings saved on the cloud under educators name/mentoring.
02/02/2023	Employment of an Educator to plan and program for the outdoor learning environment. This has taken the documentation job off PS educators, to support their wellbeing and the burnout from documentation requirements.
03/2023 to current	Educational Leader 'pit stop' visits with educators. Notes saved on the cloud under staff/staff/2023 pit stops for Leanne, Hailey, Jasmine, Tyler, Sharon, Liv, and Rashelle. Offer support, guidance, mentoring with documentation.
24/04/2023	Room meetings, for educators to focus on "How are we meeting the planning cycle?" Gives educators the opportunity to acknowledge their high-quality program, any barriers, where to next.
16/05/2023	To support staff wellbeing and burn out from documentation requirements, the NS advised room leaders that we are taking out mid-year report/letters for 2023 – Minutes saved on the cloud under Staff meeting minutes.
22/06/2023	Review of documentation for Term 2 at Room Leaders meeting. Where to for Term 3? Minutes saved on the cloud under Staff meeting minutes.
06/2023	Webinar watched by Lucy and Elizabeth – 'Building Meaningful Infant & Toddler Environments'. MS Teams reflection on how our learning environments reflect the program, a project, or an experience.
14/06/2023	Elizabeth's PD through Academy – Webinar on Provocations Using Learning Stories. Reinforce her understanding of documenting learnings stories to gain insight on how to support new educators such as trainees to start to develop their documentations skills to write short paragraphs. Elizabeth shared knowledge with Kasey and Kareen. See Elizabeth's notes.
21/07/23	Documentation overviews updated. Added to staff manual. Emailed to educators.
