

Plan No.	1/2023	NQF / Reg. Ref No.	7.1	Plan Date	1/2/2022
1) Name your improvement	Building Confident Leadership Skills				
2) Explain why the improvement is needed	Research shows us that the quality of provision and children's outcome almost never exceeds the quality of leadership and management. ".... there is no doubt that effective leadership and appropriate training for the leadership role is an increasing important element in providing high quality provision for the early years" Siraj-Blatchford 7 Manni 2007. This goal will support & enhance our Early Childhood Teachers current leadership skills as well as developing the emerging leadership skills of our two new Diploma Trainee Room Leaders.				
3) List the outcomes from the improvement:	• A collaborative leadership team within the organisation. • A collective shared vision that is reflective of the services philosophy and expectations. • Effective leaders promote positive organisational culture and builds a professional learning community. • Distributed leadership within the organisation. • Effective communication skills.				
4) List any consequences of NOT undertaking this improvement?	• Ineffective communication. • Educators working in silos. • Room leaders feeling unsupported. • Room Leaders not meeting organisation's expectations.				
					M
5) Strategies – List the steps, activities and tasks you plan to implement to achieve your improvement					
Short Term			Long Term		
• Understand Room Leader goals and responsibilities. • Understand Siraj-Blatchford & L Manni, 10 categories of 'effective leadership practice'. • Build a culture of safe & positive reflective practice for the leadership team.			• A community of leaders committed to building practice and skills by sharing ideas and issues with each other. • Professional relationships that are based on a shared understanding enabling formal & informal opportunities to meet to share ideas, discuss common issues and concerns and support each other to develop professional competence.		
From your strategies above list the actions you will take to implement your improvement plan
