	Almost certain	Moderate	High	High	Extreme	Extreme
	Likely	Moderate	Moderate	High	Extreme	Extreme
	Possible	Low	Moderate	High	High	Extreme
	Unlikely	Low	Low	Moderate	High	High
	Rare	Low	Low	Low	Moderate	High

Education and Care Service		Service Approval		Service License Capacity		Address of Service		Director			
Gloucester Pre School and Early Years Learning Centre				85		52 Hume St, Gloucester		Elizabeth Price			
Risk Event	Existing Management strategies or internal controls	Likelihood	Consequence	Current risk assessment	New risk management controls or internal controls	Who is responsible	New risk (refer matrix)				
Allergic reaction to the dog	Allergies are known upon enrolment and the dog would be removed from the service if it posed a risk to any of the children.	Rare	Minor	Low	Being aware of all allergies and ensuring that children are supervised during their interactions with the dog	All staff					
Scratched or nipped by the dog	The children could be scratched or bitten/nipped by the dog during their interactions with it. Ensure that the children are supervised whilst interacting with the dog.	Possible	Moderate	High	Ensuring that all children are supervised when handling the dog. Demonstrating the appropriate ways to handle and pat the dog.	All staff					
Ingesting the dog food	Ensure that the children are not accessible to dog food. Educate the children in regards to not touching the dog food and not putting it near their mouth.	Rare	Insignificant	Low	Ensure that effective supervision is in practice at all times and that we are continuously discussing the importance of not eating dog food. Dog food will not be accessible to children.	All staff					
Touching the dog faeces	It will be cleaned up straight away to avoid the children touching. Disinfectant will be used. Teaching the children not to touch and to tell a teacher.	Possible	Moderate	High	If needed, the dog will be taken out of the service, on a lead, by an educator.	All staff					
Germes Carried by the dog	Ensure that the children and educators are washing hands before and after touching the dog .	Possible	Minor	Moderate	Continuing with precautions in place. Promoting hand washing procedure before and after handling the dog. The dog must be clean and up to date with all vaccinations and has regular vet check-ups.	All staff
