

Excursion risk management plan for REGULAR COMMUNITY WALKS

Use Specific Location Risk Assessment in conjunction with this document.

Excursion details				
Date(s) of excursion	May 2023 to May 2024	Excursion destination		Local community
Departure and arrival times	Between 9.30am – 2.30pm			
Proposed activities	Walks to local shops & primary schools. Exploration of local parks	Water hazards? Yes	Water hazards are connected to walks to Billabong Park & Gloucester Community Gardens. See their risks assessment document for detail information.	
Method of transport, including proposed route	All excursions will involve walking so only children wearing enclosed shoes and broadbrim hats may attend the excursions. Thongs and crocs will not be accepted as safe footwear. Walking excursions may involve children walking along footpaths or grassed sidewalks, crossing local streets and playing in parklands.			
Name of excursion co-ordinator	The Nominator Supervisor will review the destination and risks against the excursion risk management plan before each excursion.			
Contact number of excursion co-ordinator	(BH) 0490520050	(M)		
Number of children attending excursion	2 to 45	Number of educators/parents/volunteers		1:10 ratio with a min. of 2 educators or 1 educator and one parent.
Educator to child ratio, including whether this excursion warrants a higher ratio? Please provide details.	Each walking excursion and the number of children taken will be assessed individually. As a guide: - Two educators can take a minimum of 2 children and a maximum of 20 children. - Three or more educators can take a minimum of 3 children and a maximum of 1:10 adult to child ratio for groups of children.			
Who can attend the excursions?	Children: - age 3 years of age or older. - who parents/ guardians have signed regular outing permission form. - who are wearing safe footwear. - who are wearing sun safe clothing & hat.			

Excursion checklist	
☐ First aid kit	☐ List of adults participating in the excursion
☐ List of children attending the excursion	☐ Contact information for each adult
☐ Contact information for each child	☐ Mobile phone / other means of communicating with the service & emergency services
☐ Medical information for each child	☐ Other items, please list

Risk assessment							
Activity	Hazard identified	Likelihood	Consequence	Risk assessment	Elimination/control measures	Who	When
Walk along local roads to: - Gloucester Memorial Park - Local Primary Schools - Art Gallery - Fire Station - Post office - Local shops - Around the residential block	Traffic – Child hit by vehicle	Rare	Major	Moderate	Discuss road safety with children: - in class regularly - before leaving the pre-school each time. Good supervision of children. Use pedestrian crossings when available. Crossroads where there is a long clear vision on oncoming traffic. Walk on footpaths where possible. Beware of driveways & vehicles entering or departing from them.	Educators	Before excursion During excursions
	- Strangers: - Taking a child	Rare	Major	Moderate	Good supervision of children.	Educators	Before excursion

	○ indecent exposure/language	Rare	Minor	Low	- Regularly checking total number of children - Education of stranger danger		During excursions
	● Missing child/ren	Rare	Major	Moderate	- Good supervision of children. - Regularly checking total number of children - Identify children who may be a flight risk prior to excursion	Educators	Before excursion During excursions
	○ Trip zones	Likely	Minor	Moderate	Good supervision of children & walking paths/grounds.	Educators	Before excursion During excursions
	○ Missing children	Rare	Major	Moderate	- Good supervision of children. - Regularly checking total number of children - Discussion about boundaries	Educators	Before excursion During excursions
	○ Dogs	Likely	Moderate	High	- Discussion of dog safety with children. - Annual dog safety program run in service when available. - Good supervision of children. - Awareness of surroundings.	Educators	Before excursion During excursions

						Move children away from dogs especially those not on leashes		
Insects or snake bite	Rare	Major	Moderate		- Good supervision of children. - Awareness of surroundings. - Bring first aid kit and be aware of any allergies	Educators	During excursions	
Contracting an infectious disease including COVID-19	Rare	Moderate	Low		- Discussion with children on touch surfaces, objects & people - Use hand sanitiser on children/adults hands when they have touched above objects during the excursion - Where possible limit excursion in confined spaces, large number of people or mostly man made materials. - Wash hand when returning to service.	Educators	Before excursion During excursions After excursion	
Environmental - Sun exposure - Water - Sound and noise - Weather conditions and events - Temperature - Extreme pollution – eg, from bushfire smoke	Possible	Moderate	High		- Check UV level before leaving & act according to Sun Safe policy - Check local weather condition before leaving the premises. Cancelled in high heat, winds or storms forecasted. - Extreme pollution, cancel if high level of bush fire smoke.	Educators	Educators to be aware of the environment and any changes to conditions before & during the excursion.	

Plan prepared by	Elizabeth Price
Prepared in consultation with:	Educators and Management Committee
Communicated to:	Parents, Management Committee and staff
Venue and safety information reviewed and attached	Yes. Comment if needed: Map of area covered by regular excursions
Reminder: Monitor the effectiveness of controls and change if necessary. Review the risk assessment if an incident or significant change occurs.	

Review

The Management, employees, families and interested parties will monitor and review the effectiveness of this policy annually or more regularly if required.
