

Excursion risk management plan for regular community walks to

GLOUCESTER PRIMARY SCHOOL & ST JOSEPH'S PRIMARY SCHOOL

This Risk Management Plan is to be used with the Regular Community Walks Document

Excursion details			
Date(s) of excursion	May 2023 to May 2024	Excursion destination	Gloucester Primary School & St Joseph's Primary School
Departure and arrival times	Between 9.30am – 2.30pm		
Proposed activities	Walk to local primary school to support transition to school programs. Participate in share events such as NAIDOC day.	Water hazards? No If yes, detail in risk assessment below.	
Method of transport, including proposed route	All excursions will involve walking so only children wearing enclosed shoes and broadbrim hats may attend the excursions. Thongs and crocs will not be accepted as safe footwear. Walking excursions may involve children walking along footpaths or grassed sidewalks, crossing local streets and playing in parklands.		
Name of excursion co-ordinator	The Nominator Supervisor will review the destination and risks against the excursion risk management plan before each excursion.		
Contact number of excursion co-ordinator	(BH) 0490520050	(M)	
Number of children attending excursion	2 to 45	Number of educators/parents/volunteers	1:10 ratio with a min. of 2 educators or 1 educator and one parent.
Educator to child ratio, including whether this excursion warrants a higher ratio? Please provide details.	Each walking excursion and the number of children taken will be assessed individually. As a guide: - Two educators can take a minimum of 2 children and a maximum of 20 children. - Three or more educators can take a minimum of 3 children and a maximum of 1:10 adult to child ratio for groups of children.		
Who can attend the excursions?	Children: age 3 years of age or older		

	• who parents/guardians have signed regular outing permission form • who are wearing safe footwear • who are wearing sun safe clothing & hat
Excursion checklist	
☐ First aid kit	☐ List of adults participating in the excursion
☐ List of children attending the excursion	☐ Contact information for each adult
☐ Contact information for each child	☐ Mobile phone / other means of communicating with the service & emergency services
☐ Medical information for each child	☐ Other items, please list

Risk Name	Hazards	Risks	Risk assessment	Elimination/control measures	Who	When
Emergency on School grounds	Preschool children & educators not informed of an emergency.	School does not know we are on their premises. Not informed of emergency. Not moved to a safe location according to school emergency procedure.	Likelihood: Rare Consequences: Major Risk Rating: Moderate	• Inform school of excursion prior to excursion date via email. • Sign in & off school premises via school office app located in school office.	Room Leader	Before & during excursion
Access to older primary aged children	Hearing inappropriate language Physical contact by other children	Children mimic inappropriate language. Bruising through rough play.	Likelihood: Unlikely Consequences: Low Risk Rating: Low	• Good supervision of the children • Use of supportive language to set safe boundaries. • Liaise with primary school teachers.	Educators	Before & during the excursion

					Discuss clear boundaries & expectation with children before visiting schools		
Electricity	Computers & other electronic devices	Electric shock	Likelihood: Rare Consequences: High Risk Rating: Moderate	- Good supervision of the children - Discuss clear boundaries & expectation with children before visiting schools	Educators	Before & during the excursion	
Visual media	Books Electronic Screens	Viewing inappropriate material on primary school devices	Likelihood: Rare Consequences: Moderate Risk Rating: Low	As Above	Educators	Before & during the excursion	
Health, hygiene & personal safety	Public Toilets	Contracting an infectious disease Loss of Privacy Contact with other people using the toilets	Likelihood: Rare Consequences: Low Risk Rating: Low	- Encourage children to use the preschool toilets before departure. - An educator to be with a child at all times in toilet area. - All children to use the appropriate gender toilets. - Good personal hygiene after using the toilets.	Educators	During the excursion	
	Bubblers	Contracting an infectious disease	Likelihood: Rare Consequences: Low Risk Rating: Low	- When there is a high rate of infectious disease running the school or community don't allow children to use the bubblers. Have children bring their own water bottles when visiting the schools for extended periods of time. - Liaise with the school before each visit.	Educators/Children	During the excursion	

	Climbing Equipment at the school	Bruises, cut abrasions, broken bones, head or spinal injury	Likelihood: Unlikely Consequences: Moderate Risk Rating: Moderate	• Discussion with children on how to use the equipment safely. • Good supervision of children. • Educator will not lift children onto equipment if child is too short or doesn't have the skills to climb. • If necessary, set height climbing limits and the number of children on each piece of equipment at one time.	Educators	During the excursion
Loss of a child	Child is disconnected from the group.	Stress, anxiety	Likelihood: Unlikely Consequences: Minor Risk Rating: Low	• Discuss with children a safe meeting place such as kindy classroom or main office • Good supervision of children • Regular head counts • Clear instructions.	Educators	During the excursion

Plan prepared by	Elizabeth Price		
Prepared in consultation with:	Educators and Management Committee		
Communicated to:	Parents, Management Committee and staff		
Venue and safety information reviewed and attached	Yes. Comment if needed: Map of area covered by regular excursions		
Reminder: Monitor the effectiveness of controls and change if necessary. Review the risk assessment if an incident or significant change occurs.			

Review

The Management, employees, families and interested parties will monitor and review the effectiveness of this policy annually or more regularly if required.
